FACILITY ESSENTIAL SERVICES TRAINING & DEVELOPMENT (FESTAD)

[HTTPS://WWW.ERSC1.COM/](https://www.ersc1.com/)

COURSE CONTENT

MODULE 1 - THEORY	
Element 1.1	Understanding Emergencies, the Principles of Emergency Management and Emergency Procedures.
Element 1.2	The Emergency Management Organisation and Essential Functions.
Element 1.3	Communication, Command and Control.
Element 1.4	Maintaining a State of Readiness.
MODULE 2 - PRACTICAL	
Observation and questioning during practical exercises related to your specific role and function in your organisation	

This program is to be delivered at the client company's Facility and offer non-disruptive (to daily operations) training and mentoring in a familiar environment to improve confidence, efficiency, and effectiveness of the emergency response personnel.

FESTAD

CERTIFICATE LEVEL 4

COURSE OBJECTIVES

- Enhance understanding of emergency management procedures and principles.
- Develop skills for communication, command and control.
- Familiarise use of fundamental equipment and systems.
- Improve decision-making and leadership in stressful situations.
- Foster continued development, mentoring and drill culture throughout the organisation.
- Provide practical experience in responding to and managing emergency scenarios.
- Where possible conduct a whole facility drill or verify Team Competency.
- Certify eligible persons with an internationally recognised diploma.
- Identify gaps and offer improvement suggestions in competency, facilities and procedures.

TARGET AUDIENCE

Teams and individuals in a Facility's (Offshore or Onshore) emergency response and management organization, such as:

- Emergency Response / Fire Teams
- Muster / Assembly Checkers / Headcounters
- Helideck / Helipad Teams
- Lifeboat Teams
- Medical / Stretcher Teams
- Drill Coordinators / HSE / Safety Officers
- Others

PRE-REQUISITES

Confirmation of formal Industry Qualification in an ER role and current employment to perform said ER role.

APPRAISAL

Direct Observation and Questioning through:

- Simulated Practical Exercises as separate teams; or
- Simulated Whole facility Exercise (Drill); or
- During live evolutions (such as during live Helicopter Operations for a Helideck Team).

CERTIFICATE

Eligible Learners will receive an Internationally Recognised, UK awarded NOCN Diploma Level 4 for Facility Essential Services Training and Development in the position they are qualified in.
